

3 TIPS

FOR YOUR STAY IN VÄXJÖ

THE STEAMBOAT "THOR"

By Växjö's oldest cultural site, Kronoberg Castle ruins, lies Sweden's oldest wooden fired steamboat named Thor. The steamboat was built in 1887 and carries passengers around Lake Helgasjön during the summer. You can choose to take a 1-hour tour or a 2,5-hour tour which will take you through Sweden's southernmost lock. When being at Kronoberg take the opportunity to stroll around the castle ruins or just relax with a "fika" in the scenic environments.

THE SWEDISH GLASS MUSEUM

The Swedish Glass Museum has been collecting glass for over 80 years, generating one of the largest and most extensive collections in Europe. Today, the collection, includes around 40 000 items of glassware, from 105 Swedish glassworks, dating from the 1580's up to the present day.

THE HOUSE OF EMIGRANTS

The House of Emigrants, built in 1968, includes an archive, library, museum, and research centre of the Emigrants period as well as the immigration in nowadays Sweden. Dive into how one fifth of the Swedish population emigrated to America during a period of 60 years. The House of Emigrants also contains a Vilhelm Moberg-room.

Food-tips!

Visit White Guide-restaurant Izakaya Moshi located in the same building as The Swedish Glass Museum. Small dishes inspired by Japanese, Korean, Vietnamese and Chinese cuisine.
