§ 1 ISIS conference in Montreal

Jean-Marc Larrue submitted a draft for cfp for the next ISIS conference in Montreal, May 18–20, 2017 – “Authentic Artifice” – which was supported by the board.

Suggestions for a few clarifications and additions were made. The board also suggested several names for possible keynotes. Proposed deadlines: the cfp should be distributed no later than before the summer holidays 2016, with a deadline for submission no later than in October.
