Please note that we will only be able to process your application if all required documents are attached.

In order to issue a Swedish degree including courses from a university abroad, we need to have an original transcript of your study results from that university showing the individual courses you have taken there. In order to obtain a Swedish masters degree, you must send in proof of a previous bachelor degree, together with the transcript of courses included in the degree. These documents must be sent to degree@lnu.se (even if you have sent them to other offices of Linnaeus University earlier).

All documents must be translated to English. Transcripts from universities in the EU MUST show ECTS credits.

Send your application to degree@lnu.se or:
